British Pathé Education

For Schools and Educational Establishments

The British Pathé archive is the finest film and newsreel collection in the world, spanning from 1896 to 1976 and containing 85,000 individual film items and 12 million stills. It covers an enormous range of subjects, including modern British and world history, news, fashion, sport, entertainment, travel, warfare and 20th-century social history.

Now this invaluable teaching aid is available to all schools in the UK through a special education subscription.

*Schools who subscribe have access to the following additional features:*

- Unlimited downloads of British Pathé material for use within the classroom.
- Curriculum-specific collections created by teachers.
- Permission to publish films on Secure Learning Platforms.
